# COVID-19 SAFETY GUIDELINES

Coaches & parents will be provided a detailed list of safety guidelines that will be in place at the facilities being used for each of our tournaments within each event's schedule packet. Schedule packets are typically available on our website 7-14 days prior to an event.

Spectators will be welcome at our events. If you are part of the high risk population, we encourage you to stay home.

We encourage spectators to wear masks while entering and exiting schools where the flow of traffic will be highest.

In the schools, if you are seated around family or have 6-foot social distancing, spectators may remove masks.

We will work with our local health officials and facilities to update safety measures as we approach the event dates. We ask for your cooperation and understanding as the conditions change between now (September) and the actual event dates this winter.

If an event must be cancelled due to Covid-19 local, state or federal measures, we will issue full refunds (online payment refunds will be less the 3% Paypal handling fee).
